**Reserved Line positions:** Each reserved line position is 4' X 26' comes with a shooter pass for both days and a **Mandatory Membership (must provide photo)** good for the season. Line positions are held for each owner from the previous year until Registration forms are due, then any unclaimed positions will be given to the next person on the waiting list. Each reserved position on the line can accommodate 3 people (owner and 2 additional shooters). If purchasing more than one position please include the names of your additional shooters, not more than 3 per position. Additional shooters will have to fill out their liability forms separately.

**Shooter Passes:** Shooter Passes are only sold to people who are shooting on a reserved line position and are with the reserved line positions party, this is limited to 3 shooter passes per line position reserved. i.e. : 3 positions = 9 shooters (including owner)

**Spectators:** Spectators are priced per day and need to fill out their own forms, spectators are not allowed on firing line but may purchase a pass to rent from rental if available.

**TENTS ON THE LINE:** To set up a tent on the line you must have 3 positions in a row to set up a 10X10 or a 12X12, you must have 5 positions in a row in order to set up a 20'. The positions are 26' deep, in most instances you and your neighbor can team up and create enough space to set up a tent. This however doesn't mean you are guaranteed to "team up" with your neighbor, if you have less than 3 spots combined you will not be able to set up a tent.

**Party & shooter names on your positions (3 max, each position)** \_\_\_\_\_
